VISITOR

We are all sorry to have Mrs. Marjorie Whitehead, our attendance secretary, retire this past February. She has loved working with seventh and eighth graders, and she was known and liked by all the students. We will all remember her kindness, thoughtfulness, and patience.

She was an efficient secretary, who has been in the Lafayette School District since August, 1957. She was at Lafayette School for one year and at Burton School for a year before coming to Stanley in August, 1959.

All of us miss our Mrs. Whitehead, and we wish her a good life in the future.
